**Event Type:** SOCIAL

### Summary

The blood donation camp was successfully organized by NSS VIIT and supported by the Red Cross. Over 100 participants attended the event and donated blood.

### Planning

**Who initiated the planning for the blood donation camp?**

The NSS Core Committee initiated the planning in early March.

**When did the planning start?**

Planning began on March 1st, 2025.

### Execution

**How was the event conducted?**

It started at 10 AM, with 5 donation beds, medical staff, and registration volunteers managing the crowd.

### Participation

**How many donors participated?**

118 donors participated from 140 registered attendees.

## **Support**

### **Who supported the event execution?**

Red Cross medical team and student volunteers from NSS.

## **Outcome**

### **What was the outcome of the camp?**

Successful collection of 118 units of blood and increased student engagement.

## **Problems Faced**

### **What challenges were faced?**

Initial setup delay and confusion at registration desk due to unexpected turnout.

## **Feedback**

### **What was the feedback from participants?**

Participants appreciated the smooth coordination and medical facilities.

## **Suggestions**

### **Suggestions for future events?**

Include a token-based queue system and increase waiting area seating.
